A study subjects

C environmental enrichment

Age	Exercise	Social
Adolescent	Exercise	Non-social
Adolescent		Social
Adult Early postnatal	No exercise	Social

B stress exposure

Age	Duration	Туре
Adolescent Adult	Acute	Combination
Early postnatal	Chronic	MS
7 1	Chionic	Noise
Prenatal	ntermittent	Noise Other Restraint Shock

D cognitive assay

Learning_Memory	Туре	_	Reinforcement
Learning			Appetitive
Learning	Conditioning		
	Conditioning		Aversive
Memory	Hobituation		
	Habituation Recognition		Not applicable
